## Foreword

This Mauritian Standard was drawn up in 2011 by the Textile, Paper and Footwear Standards Committee through its Subcommittee on National Flag. It was approved by the Standards Council on 05 October 2011 and was notified in the Government Gazette on 12 November 2011\*.

In preparing this standard, assistance was made to the following:

**SANS 1212:2005**      *The National Flag*

**Mauritius Police Force - The Flag Code (1996)**

Acknowledgement is made for the use of information from the above publication.

\* General Notice No 2793 of 2011

## The National Flag – Specifications

**IMPORTANT** — The colours represented in Annex A can be neither viewed on screen nor printed as true representations. It is not intended that these printed copies be used for colour matching.

### 1. Scope

This Mauritian Standard covers the materials, design and make of the three types of the National Flag\* of the Republic of Mauritius.

The three types are as follows:

- a) mast flag
- b) desk flag/ hand held flag
- c) car flag

\* 'National Flag' is referred to as 'the flag' throughout the document.

### 2. Normative references

The following documents are indispensable for the application of this document. For dated references, the latest document applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

<b>ISO 105-A02</b>	<i>Textiles -- Tests for colour fastness -- Part A02: Grey scale for assessing change in colour</i>
