Foreword

This Mauritian Standard was drawn up by the Textile, Paper & Footwear Standards Committee through its Subcommittee on Textiles. It was approved by the Standards Council on 09 July 2009 and was notified in the Government Gazette on 03 April 2010*.

This second edition cancels and replaces **MS 33:1984** which has been technically revised.

PREVIEW

* General Notice No 634.of 2010

Specification for knitted outerwear

1 Scope

This Mauritian Standard specifies the general requirements for all weft knitted outerwear garments.

Note: The shade, appearance, feel and the constructional particulars will be as agreed upon between the purchaser and the supplier.

2 Normative references

The following document is indispensable for the application of this document. For dated references, the latest document applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

ISO 1833	<i>Textiles – Binary fibre mixtures – Quantitative chemical analysis</i>
